

# Moving home allows timber firm to grow

**EXPERIENCE:** Nick Pettitt and Darren Atkinson at their new premises.

**WITHAM Timber has relocated to a bigger premises in Boston.**

Business partners Nick Pettitt and Darren Atkinson have invested almost half a million pounds into relocating their business, previously based in Freiston, to Lealand Way off Marsh Lane.

The thriving business had outgrown its previous premises.

Darren said: "The move from our old premises was crucial to ensure we still maintain the

service and quality

high level of service and quality that our customers have grown accustomed to.

"Without moving to our new, much larger offices, yard and factories, we would not have been able to maintain our recent levels of growth and our high

levels customer service."

Witham Timber has many customers including trade, commercial, landscapers, councils and individuals.

It is Boston's biggest independent timber merchant and can cater for all needs. It has 10 staff and currently operates a fleet of lorries from its Boston base

Witham Timber is a friendly family run business with more than 40 years experience in garden timber and landscaping products.

It stocks fence panels, posts, rails, decking, sleepers, planters, gates, trellis, log cabins, summerhouses, sheds, playhouses, arches, arbours, pergolas, garden furniture, timber cladding - everything a customer could possibly need.

What makes the business so accommodating is they will supply one fence post to replace a broken one in your back garden through to multi-year contracts supplying miles of fencing

to contractors.

Since the business started six-years ago it has been proud suppliers of fencing and other timber products to thoroughbred racehorse stud farms across Europe.

Witham Timber has 10 experienced staff who bring the same level of professionalism and attention to detail to the supply of high quality products for a wide range of customers.

All the company's timber is harvested in accordance with strict European laws and preserved by approved compan-

ies to European Standards.

Darren and Nick said: "Our experienced staff pride themselves in understanding what you want and in making sure that you get exactly what you want, when you want it."

Witham Timber will soon have a showroom offering customers the chance to view its extremely wide range of products. There will also be a private consultation room where customers can have a chat with one of the staff to see exactly what they need.

There is also to be a free quotation service.

The company also delivers nationwide but makes local people a priority.

To view the wide range of products log on to the website, email them at sales@withamtiber.co.uk or go along to the business for a specialist service.
